

Growing Up In Viking Times

People have lived in Egypt for thousands of years. About 6,000 years ago, people in the Nile Valley began to develop the way of life we call ancient Egyptian. They began to build large, mud brick tombs for their rulers, to make beautiful objects for their tombs and homes, and to use a kind of writing. People from Mesopotamia may have settled in Egypt at this time, but no one is sure about this.

Discusses aspects of Viking life including the operation of their farms, the education of children, their religious beliefs, and the superb ships which allowed them. Full-color illustrations and interesting texts bring the world's ancient centers of civilization to life. Each book includes a map of the region and a fact file that.
