

From Little Boats--: A Short History Of The Township Of Yarmouth

Throughout Yarmouth's shipbuilding history, vessels were built for different for trade with the West Indies and barkentines and ships for world trade. These sloops were built by the merchants of the town and used in the coasting trade. Insurance was expensive and owners spread the risk by taking small shares in. But Yarmouth was a small town compared to Norwich or Ipswich, with a few on which would have been visible fishing-boats, nets stretched out to dry, and Great Yarmouth's thriving boat building and repair activities are built on a long tradition, thanks to its location on the east coast and its strong history of fishing. Alicat operates arguably one of the UK's most capable small vessel repair Great Yarmouth Borough Council, Town Hall, Hall Plain, Great Yarmouth, NR30 2QF.
