

# Miracles Of Courage: How Families Meet The Challenge Of A Child's Critical Illness

BIOGRAPHY & AUTOBIOGRAPHY

**When a single mother with terminal cancer asked a nurse she'd met in the oncology ward to raise her son, neither could have imagined the miracles God had in store.**

*God Gave Me You* tells the true story of how these two incredible mothers met, the immediate bond they formed, and the ups and downs of joining families as one mother's earthly life ebbed away. The miracle of these two families coming together demonstrates that family isn't always blood—sometimes it's made up of the people God gives you if you have a willing heart.

*Precious moments between a mother and her son.*

*Family isn't always tied by blood, but those drawn together by fate can have unexpected miracles.*
